

In Memoriam

Sally (Moyer) Picazo: Graduated from Whitmer High School in 1958. Born in 1940.

After graduation I moved with my family to Kenosha Wisconsin. We did spend the summers back in Michigan at our cottage at Clark Lake. I went to Bowling Green State University and earned a BS in Elementary Education. Graduated in 1962 and returned to teach second or third grade in Wisconsin.

This is where I met the love of my life Richard. I was out with a bunch of girls at a dance and in he walked and ask me to dance and we have been together from that night on. We will soon celebrate our 45th wedding anniversary.

I loved teaching, watching my kids change so much in one year. I retired in 2002 after 40 years in the teaching world. I did take some time off to have our two boys Steven and Michael. Our Michael went to heaven in 1999, that's a very hard thing to deal with. Steven is married to our dear Beth and we have two wonderful grand kids Katherine and Andrew. They live near and we enjoy them so much.

Dick, Mom, and I still spend all summer at the lake in Michigan. My Dad built the place in 1953 so we have made some improvements.

My Favorite Memory of Whitmer High: Mr. Foster's Senior Class. I still remember some of the 100 quotes we had to learn from Macbeth. I bet lots of you guys do also. I loved all the dances at the YMCA, and of course the proms, with all the rows of itchy netting on our dresses. We had so much fun in the lunch room telling jokes and laughing. Working on the class plays back stage was great. The choir was wonderful as were the choir trips. I think the friends, and fun I had in the 1950's was some of the best times of my life.
